RE: Bitterroot River Protective Association, et al. v. Bitterroot Conservation District, et al. v. Ravalli County Commissioners

This is an update on the above-referenced case. Oral argument is set for October 10, 2007, at 1:30 p.m. in Helena. The court granted my motion excusing us from appearance at the oral argument although I may well be in the audience just to stay informed in the case.

Although a final decision is probably 2 years away, it will be a relief to have this matter settled after 17 years of needless county involvement.
